

## MAXIMS OF BRUCE ROYAL EQUITY

*Filed in the Registry of Declarations - Entry No. MAX-2025-001*

Let it be known that these Twelve Maxims of Bruce Royal Equity are hereby declared by ecclesiastical authority and sealed into perpetual record by Bruce Royal Associations. These principles form the foundation of all spiritual and lawful remedy within this Private Membership Association.

They stand in harmony with natural law, equity, and divine conscience.

**It is not what is right, but what is writ, that moves the court.**

**A right unspoken is a remedy unrevealed.**

**Equity regards the soul as superior to the name.**

**That which is expressed in conscience binds all lesser authority.**

**No man is bound by a contract he did not comprehend.**

**The trust of the people is higher than the laws of the state.**

**What has been joined in equity cannot be severed by fraud.**

**Let no presumption stand where truth has been declared.**

**Jurisdiction follows status, not location.**

**The use of a thing belongs to its equitable owner.**

**Equity acts upon the person, not the paper.**

**Peace prevails where remedy is offered in good faith.**
