

## **DECLARATION OF PRIVATE ESTATE FOR MINOR HEIR**

I, Mobolaji Babatunde Olupona, residing at **716RP MX62Q** c/o 8205 Braesmain Dr. Houston, Texas 77025 #20646, being the natural Mobolaji Babatunde Olupona and legal guardian(s) of Zakhari Olupona, do hereby make the following declaration:

1. Identification of Minor: The Minor, Zakhari Jermaine Merritt (Olupona), was born on December 20, 2018 in Harker Height, Texas. The Minor is my biological son and an heir of the Mobolaji Babatunde Olupona Estate.
2. Establishment of Private Estate: I declare that a private estate has been established for the exclusive benefit and use of the Minor. This private estate (hereinafter "the Estate") encompasses all assets, rights, and interests presently held or later acquired for the Minor's benefit, including but not limited to any trusts, bank accounts, investments, real property, personal property, and contractual benefits in the Minor's name or right.
3. Parental Administration: I affirm that as the Minor's parent and natural guardians, I hold a God-given and lawful fiduciary responsibility to administer the Estate. I shall manage, safeguard, and invest the Estate's assets with the care that a prudent person in a like position would exercise, solely in the best interests of the Minor, until such time as the Minor reaches the age of majority (and beyond, if assets are held in trust past majority) or until a successor fiduciary is lawfully appointed.
4. Trust Arrangement: On 6/20/2025, I have established the "Zakhari Olupona Trust" (the "Trust"), a private trust for the Minor's benefit, which forms part of this Estate plan. All major assets for the Minor are or will be held in said Trust to ensure continuity of management and to avoid public administration (probate/guardianship). I as the parent serve as the current Trustees of this Trust. The terms of the Trust govern the use and distribution of trust assets, and I incorporate those terms by reference into this declaration.
5. Exclusion of Public Estate Administration: It is my explicit intent that the Minor's Estate be administered privately by the family and not be subjected to any state or public court jurisdiction absent a lawful necessity. I have executed or will execute all necessary documents

(affidavits, notices, etc.) to correct any record and to rebut any presumption that the Minor or the Minor's Estate is abandoned, intestate, or in need of court-appointed administration. In particular, no probate or guardianship proceedings shall be voluntarily initiated for the Minor's Estate because private arrangements are in place.

6. Heirship and Succession: The Minor is recognized as our heir, entitled to receive an inheritance from us and from the family line. I have made corresponding provisions in our own estate planning documents to ensure the Minor's inheritance passes into the private structures established (such as the Trust). Should both parents become unable to serve as administrators (due to death or incapacity), I have designated Olupona Family Associations to assume fiduciary responsibility for the Minor and the Estate. Notice of such designation has been or will be provided to the appropriate parties and is documented in our wills/trusts.

7. Continuing Nature of Declaration: This declaration shall remain in effect unless amended in writing by the undersigned. It is our intention that any person or institution dealing with the Minor's affairs shall recognize and respect this declaration. A copy of this declaration may be presented as evidence of the Estate and our role. We may also record this declaration with Harris County Clerk's Office or appropriate office to ensure public notice of the private Estate.

8. Governing Law: This Declaration is executed under the laws of Texas and the provision of Mobolaji Babatunde Olupona Revocable Living Trust. I assert my parental rights under those laws and under authority of Scripture and natural law to direct the upbringing and property of my child.

I affirm under penalty of perjury that the foregoing is true and correct to the best of our knowledge.

## **DECLARATION OF GUARDIAN FIDUCIARY ROLE OVER MINOR'S ESTATE**

I, Mobolaji Babatunde Olupona, of **716RP MX62Q c/o 8205 Braesmain Drive #20646. Houston, Texas [77025-9998]**, do hereby declare and affirm the following:

1. Guardian Identification: I am the father of Zakhari Olupona, a minor born on December 20, 2018. By virtue of law and by virtue of appointment in the Last Will of Mobolaji Babatunde Olupona, I serve as the guardian of the person and/or estate of Zakhari Olupona.
2. Fiduciary Capacity: I acknowledge and accept that in managing any and all assets, property, or financial affairs of Zakhari Olupona, I act in a fiduciary capacity. This means I have a duty of the highest good faith and loyalty to the minor in all such matters.
3. Scope of Estate Administration: The minor's "estate" under my guardianship includes all assets titled in the minor's name or beneficially owned by the minor, including but not limited to:
  - Any trust established for the minor's benefit (specifically, the Zakhari Olupona Trust of which I am Trustee/co-Trustee).
  - Any custodial accounts under UGMA/UTMA where I am custodian for the minor.
  - Any bank accounts, investment accounts, or cash holdings for the minor.
  - Personal property (valuable items owned by the minor) and any real property interests (if any).
  - Any future assets or inheritances that the minor may receive during minority.
4. Duties Undertaken: I undertake the following duties faithfully:
  - To manage and protect the assets of the minor's estate, avoiding loss or waste.
  - To utilize assets only for the direct benefit of the minor (health, education, maintenance, support) and not for others (except incidental benefits or as law may allow for dependents, etc.).
  - To keep the minor's funds separate from my own (no commingling of assets).

- To maintain records of all transactions involving the minor's assets, including receipts, disbursements, and investments.
- To account for the assets and their use to the minor when required or when the minor reaches majority.
- To obey any private arrangement pertaining to the guardianship of the estate and to adhere to the terms of any trust or document governing the minor's assets.

5. Limitations of Authority: I understand that I do not have authority to use the minor's assets for my personal gain, nor to transfer the minor's property to myself (except for legitimate reimbursements or guardian fees if lawfully permitted and duly documented). Any significant transaction (sale of property, investment change) will be done with the minor's best interest in mind, and, if required by law, with court approval.

6. Duration of Responsibility: This fiduciary responsibility continues until the minor reaches the age of majority (or as extended by any trust terms, e.g., until trust termination) or until a court or the governing documents lawfully terminate or transfer the responsibility to another. Upon such time, I will transfer all remaining assets and a full accounting to the minor or the minor's estate/new trustee, as appropriate.

7. Acknowledgment of Personal Liability: I acknowledge that failure to uphold these duties could result in personal liability. I declare that I will administer the minor's estate prudently to avoid any breach of fiduciary duty.

8. Declaration to Third Parties: I make this declaration for the purpose of providing assurance to any third parties (banks, financial institutions, agencies, etc.) that I am the appropriate and authorized person to deal with assets on behalf of Zakhari Olupona. Third parties may rely on this declaration, and a photocopy or certified copy shall be as valid as the original.

I declare under penalty of perjury under the laws of Texas that the foregoing is true and correct and that I execute this declaration in my capacity as guardian/fiduciary for Zakhari Olupona.

**Notice of Correction of Records and Presumptions – Zakhari Jermaine Merritt (Olupona), a minor\*\***

DOB: December 20, 2018

Parents: Mobolaji Babatunde Olupona, Brooke Danielle Glommen

Dear Sir/Madam:

I, Mobolaji Babatunde Olupona, am the father of Zakhari Olupona, a minor born on December 20, 2018 in Harker Heights, Texas. This letter serves as a formal notice and declaration regarding the records and status of my child, and to correct any misunderstandings or errors in public documents:

1. Spelling and Identification: The correct full name of my child is zakhari jaiyeola olupona. All public records should reflect this spelling and order. On the original birth certificate, the name was recorded as Zakhari Jermaine Merritt. I request this be corrected to Zakhari Jaiyeola Olupona and any necessary amendment be made. A certified copy of the amended birth certificate can be sent to the address above.
2. Parental Guardianship: Zakhari Jaiyeola Olupona is under Brooke's care and guardianship. No other person or entity has rights of guardianship unless appointed by me or a court of competent jurisdiction with my notice. Any presumption that Zakhari Jaiyeola Olupona is a ward of the state or subject to any state custody by default is hereby rebutted. The child is not a ward of the state in any manner; rather, the child is a private citizen under the custody of loving parent.

3. Estate and Trust Status: Zakhari Olupona is a beneficiary of a private family estate and/or trust. I have established private legal instruments to manage Zakhari Olupona's financial and legal affairs (including a trust and estate declaration as referenced in attached documents). Therefore, any presumptive or automatic estate or trust created by public agencies on behalf of Zakhari Olupona is not needed and is not consented to. Specifically:

- If a state UGMA/UTMA account or custodial arrangement would arise by default for any assets of the child, be advised that a separate private trust exists Zakhari Olupona Trust. I prefer all assets be directed there.
- If any social security account/number has been assigned to Zakhari Olupona, it is to be used solely for identification purposes as needed by law, and not as an adhesion to any unintended benefits or obligations.

4. Birth Certificate Bond or Estate: It is understood that some interpret the state's holding of a birth certificate record as creating an estate or bond. While I acknowledge the State's role in record-keeping, I do not consent to any commercial or trust activity on the basis of our child's birth record without our explicit permission. If any such account exists, this notice serves as a claim upon it for the benefit of Zakhari Olupona under our administration.

5. Citizenship and Status: Zakhari Olupona is an American national and citizen by birth in Texas. This notice is not intended to alter the child's citizenship, but rather to assert parental stewardship. I reserve all rights and do not waive any rights of the child by this notice.

6. Public Benefits and Registration: I have not enrolled Zakhari Olupona in any public assistance or benefits programs, nor do I intend to, unless necessary. If in the future I do, it will be with explicit application and consent. Absent that, no agency should list Zakhari Olupona as a beneficiary of any program or as having any obligation.

7. Record of this Notice: A copy of this Notice is being retained in our private records and may be recorded with the Harris Recorder's Office (or other appropriate office) to ensure public notice of our position. Any party dealing with Zakhari Olupona or Zakhari Olupona's estate should contact us for clarification before assuming any contrary position.

I kindly request that you update your records accordingly and attach this notice or its pertinent information to the relevant file for Zakhari Olupona. By doing so, you help me ensure that there is no confusion regarding the care and administration of our child's affairs.

If you require any additional documentation or have questions, please contact me at 281-235-4725/ bjolupona@gmail.com. Thank you for your attention to these important matters.

Sincerely,

**Notice of Non-Participation in Public Estate/Trust Systems for Zakhari Olupona, Minor,  
DECEMBER 20, 2018**

Dear Sir or Madam:

This letter serves as formal notice that I, Mobolaji Babatunde Olupona the parent of Zakhari Olupona, have chosen not to participate Zakhari Olupona in certain public programs or systems that pertain to the financial/estate/persona of my child. My decision is made pursuant to my rights as the child's parent to direct their upbringing and affairs.

Specifically:

1. Social Security Number (SSN): I have elected the SSN will not be used except as required and the child will not be a beneficiary of SSA benefits I understand that an SSN is generally voluntary for those not required to have one, and deferring or declining issuance during the child's minority. If an SSN was inadvertently created or assigned, I request that it be voided or marked as inactive until such time (if any) that I explicitly request activation. I do not consent to any use of such number for tracking or benefits.

2. State/County Children's Trust or Fund: If there is any program (for example, some states have educational savings accounts or child trust accounts opened automatically at birth), I opt out of such program on behalf of Zakhari Olupona. No funds or accounts should be maintained by any public entity in Zakhari Olupona's name. Instead, I manage any such funds privately. If an account was opened by default, this is a demand for its closure and disbursement to us as custodians (if applicable) or simply a notice that I will not claim it.

3. Public Assistance Programs: Zakhari Olupona is not enrolled in Medicaid/CHIP, TANF, or any public assistance. I am not seeking any governmental financial benefits on Zakhari Olupona behalf. Any file suggesting Zakhari Olupona is a recipient should be closed. (This does not bar us from seeking medical coverage or other benefits in the future should circumstances require, but at present, none are taken.)

4. Education and Registration: This notice is not about school or anything, but if relevant: Zakhari Olupona can be privately educated (or otherwise) and will not be part of certain state registries.

5. No Public Estate Claims: I reiterate that Zakhari Olupona's estate is privately administered. I do not consent to any agency placing Zakhari Olupona on a list of wards, beneficiaries, or "owners" of any public trust property (such as Federal Reserve accounts, etc., as some theories suggest). While I acknowledge vital records existing for identity, they are not to be misconstrued as an entitlement to or from the child by government beyond identification.

Summary: In plain terms, I ask that Zakhari Olupona be treated as \*\*opted-out\*\* from any non-mandatory government system related to personal estate, trust, or benefits. I will handle all such matters privately. Zakhari Olupona will, of course, abide by legal requirements (for example, I will ensure taxes due, if any, are paid on any income, etc.), but I will not be availing ourselves of voluntary programs.

I am providing this notice out of an abundance of caution to prevent any unintended enrollment or assumption. Please update your records to reflect this status. If confirmation in writing is possible that these opt-outs have been recorded, I would appreciate it.

Thank you for your attention to our wishes in accordance with our rights.

Sincerely, Mobolaji Babatunde Olupona

1. Asset Inventory: Attached hereto as Exhibit A is a true and complete list of all known assets, financial accounts, and security instruments in which Zakhari Olupona has a legal or beneficial interest, as of the date of this affidavit. These include, but are not limited to:

- Bank Accounts (with institution names and last four digits of account numbers).
- Investment/Brokerage Accounts (with institutions and account numbers).
- Trust Accounts or interests in trusts (with trust name and trustee info).
- Stocks, Bonds, or other securities (including any physical stock certificates, savings bonds with serial numbers, etc., held for the child).

- Personal property of significant value (e.g., valuable artwork, vehicle, etc., if titled to or owned by the child).
- Insurance or annuity benefits (if any current cash value asset in child's name).
- Other assets (e.g., cryptocurrency wallets, businesses, etc., if applicable).

Exhibit A details for each asset: Description, Titling (how it's held), Approximate Value, and Location or Custodian.

2. Control and Custody: I am the person in possession or control of all the assets listed in Exhibit A, either as custodian, trustee, or guardian. No other person or entity (except the institutions holding the accounts listed) has possession or control of these assets. I maintain the access credentials, keys, or documents necessary to control these assets on behalf of the child.

3. Purpose of Assets: All listed assets are held \*strictly for the benefit of Zakhari Olupona\*. They may include gifts given to Zakhari Olupona, inheritances left to Zakhari Olupona, or assets accumulated on Zakhari Olupona's behalf (e.g., investment growth). These assets collectively form Zakhari Olupona's private estate.

4. No Unauthorized Transfers: Since assuming responsibility for Zakhari Olupona's estate, I have not sold, transferred, or encumbered any of the child's assets except for the following, all of which were done for the direct benefit of Zakhari Olupona:

- not applicable

I further affirm that I will not transfer or encumber the child's assets to third parties except as may be necessary for the child's expenses or pursuant to the estate plan (e.g., transferring assets into the child's trust, or liquidating an investment to pay for education), and always with the child's best interest as the sole motive.

5. Fiduciary Management: I manage these assets with due care. Specifically:

- Record Keeping: I maintain records of all transactions involving the child's assets (receipts of dividends, interest, disbursements for expenses, etc.).
- Segregation: The child's funds are kept in the aforementioned separate accounts and not commingled with personal or other funds, aside from minimal administrative convenience if applicable (and even then, clear tracking is maintained).
- Investment Prudence: Where the assets are invested (stocks, bonds, etc.), I invest with a conservative to moderate strategy appropriate for a minor's trust, aiming to preserve capital and achieve growth for future needs. Excessive risk or speculative investment with these assets is avoided.
- Use of Assets To date, the assets have been used for the following support of Zakhari Olupona

6. Updates and Changes: I will update this affidavit or create a new one if significant changes occur – such as acquisition of major new assets for the child (e.g., inheritance from relative) or removal of assets (e.g., used for college fees). At minimum, I intend to review and update the asset inventory annually to reflect the current status of Zakhari Olupona's estate.

7. Accuracy and Honesty: I make this affidavit to affirm the status of Zakhari Olupona's estate for the benefit of Zakhari Olupona and to any concerned parties (including family members or a court, if ever necessary, or the child upon reaching adulthood). I understand that it is a serious matter to misrepresent the handling of a minor's assets. Under penalty of perjury, I attest that the information in this affidavit (and the attached inventory) is true, accurate, and complete to the best of my knowledge.

## **BIBLICAL AFFIRMATION OF HEIRSHIP & ESTATE RIGHTS**

for Zakhari Jaiyeola Olupona

"Children are a heritage from the LORD, offspring a reward from Him." (Psalm 127:3)

I, Mobolaji Babatunde Olupona, the parent of Zakhari Olupona, born on DECEMBER 20, 2018, make this affirmation before God and witnesses to acknowledge the blessings and responsibilities bestowed upon us:

1. Divine Heritage: I recognize Zakhari Olupona as a precious gift and heritage from the Lord. I affirm that Zakhari Olupona is fearfully and wonderfully made, entrusted to our care by our Heavenly Father. As such, Zakhari Olupona's life, talents, and potential are of sacred value.
2. Heirship: I declare that Zakhari Olupona is an heir in our family, not only to any material inheritance I may pass on, but also to our values, faith, and traditions. "A good person leaves an inheritance for their children's children" (Proverbs 13:22), and by God's grace I commit to laying up resources and wisdom so that Zakhari Olupona and future generations may prosper and serve the Lord.
3. Stewardship Commitment: I acknowledge that "the earth is the Lord's, and everything in it" (Psalm 24:1). All property and wealth I have ultimately belong to God. I am stewards managing these resources. I commit to manage and secure Zakhari Olupona's estate in a manner pleasing to God – with honesty, diligence, and generosity. I renounce greed or complacency; instead, I embrace responsibility, knowing that "it is required of stewards that they be found faithful." (1 Corinthians 4:2).
4. Estate Security under God's Sovereignty: I proclaim that God's sovereignty reigns over Zakhari Olupona's life and estate. No worldly system or authority has higher claim to Zakhari Olupona than God and the family authority He has ordained. Just as Proverbs 19:21 says, "Many are the plans in a person's heart, but it is the LORD's purpose that prevails," I ultimately seek God's purpose in how Zakhari Olupona's inheritance and life path are established. I have taken steps

to secure Zakhari Olupona's estate (through trusts, declarations, etc.) so that it is protected and used for God-honoring purposes, and I will continue to do so.

5. Education and Guidance: I commit to teaching Zakhari Olupona God's commandments and principles, including biblical financial wisdom. I will teach the value of work, the importance of saving and giving, and the dangers of debt and wastefulness. (Deuteronomy 6:6-7 instructs us to diligently teach our children, and I will apply this to all areas including stewardship.) I will guide Zakhari Olupona to understand that any inheritance is both a blessing and a responsibility.

6. Provision and Protection: As it is written, "Anyone who does not provide for their relatives... has denied the faith" (1 Timothy 5:8), I take seriously our duty to provide for Zakhari Olupona. This includes day-to-day needs and also long-term provision. I have put in place legal structures to protect Zakhari Olupona's rights and provision in the event of our absence, trusting God to watch over the child as I do our part. I believe God's promise to "supply all our needs according to His riches in glory" (Philippians 4:19) and trust Him for the outcomes.

7. Blessing and Legacy: I speak a blessing over Zakhari Olupona's life and future:

"Zakhari Olupona, may the LORD bless you and keep you; may the LORD make His face shine upon you and be gracious to you; may the LORD turn His face toward you and give you peace." (Numbers 6:24-26)

I affirm that you are an heir to all the love, wisdom, and wherewithal I can impart. I pray that you will also be an heir of faith – inheriting the love of Christ which is the greatest treasure. As you eventually receive stewardship of the family estate, may you do so with humility and righteousness. I pray you will "honor the LORD with your wealth" (Proverbs 3:9), care for the poor and the weak, and continue a legacy of faith and good works.

8. Witnesses and Accountability: I sign this affirmation before God, and I have invited Wummy Olupona and Faiza khatzi to witness this commitment. I ask our faith community to hold us accountable to these promises

and to support Zakhari Olupona in growing up in the training and admonition of the Lord (Ephesians 6:4).

By this document, I unite our faith and our practical plans, dedicating Zakhari Olupona's life and estate to God's glory. I seal this commitment with our signatures, praying that it stands as a testament through time of the intentions and prayers I have for our child.

So declared and affirmed on this 20<sup>th</sup> of August, 2025, at Houston, Texas.
